David has completed over 100 commercial mediations, mostly to do with land, probate or employment which is the focus of his practice as a Barrister. He is both relaxed and authoritative, bringing to the parties in mediation a unique combination of people skills. He maintains control of the process and values everybody's time. He avoids if possible keeping the parties well into the evening. He does not let the grass grow under his feet, keeps up the momentum and achieves very good results quickly. He displays a sense of humour whilst maintaining a businesslike approach.
