Esyllt is a practising employment lawyer with a great deal of experience in dealing with disputes in the workplace. Through a combination of her legal background and training as a mediator, she is able to facilitate discussion between the parties and, where appropriate, challenge their view. Having seen the mediation process work in her day to day practice, she believes it is a process eminently suited to workplace disputes, serving to preserve relationships and uncovering systematic faults that can easily be rectified to avoid future disputes.

### **Professional Background**

Esyllt qualified as a solicitor in 2003 building a specialism in Employment Law. She acts for both employees and employers in a variety of disputes.

Esyllt is a member of the Employment Lawyers Association and an affiliate member of the CIPD, regularly giving talks to their various branches across the South West on issues in Employment Law.
