Ashfords

Ashfords LLP is a full service law firm providing a broad range of legal services to both commercial and private clients. From our dominant position in the South West we serve regional, national and international clients. Our lawyers have a wide range of expertise with many having worked for the major City firms or within sector industries.

We develop strong relationships with our clients to ensure that we fully understand their requirements and focus on providing pragmatic and plain-speaking advice. We are always sensitive of the need to provide businesses with legal guidance which works in a commercial environment and work with our clients to achieve this.

We have three qualified mediators who have significant levels of experience as mediators and are all ADR Group accredited: David Beadel, Ian Daniells and Stephen Homer. We have mediated in many types of dispute and regularly advise clients bringing claims to mediation of the process and tactics.
