

ADR Net Corporate Members: TLT Solicitors

Named by the Financial Times as one of Europe's most innovative law firms and described by industry commentators as 'the firm to watch', TLT is an award-winning commercial law firm. The firm is rapidly developing a national reputation for its innovative approach to delivering legal services.

TLT is a full service law firm providing industry-focused multi-discipline integrated solutions. The firm leading strengths are in the financial services and leisure sectors. Other chosen markets include retail, the built environment and technology & media. TLT's core legal specialisms are real estate, banking and finance, commercial, corporate, employment, dispute resolution and litigation.

Highly commended for its client service by the Financial Times, TLT is built around the needs of its clients and delivers expert legal advice efficiently and cost-effectively. TLT advises FTSE-listed, national and international businesses including Aardman Animations, Barclays Bank, British Waterways Board, HBOS, GMAC RFC, Merlin Entertainments, Punch Taverns, Orange and WHSmith. Many of the firm's lawyers are identified as experts in their respective fields and behind their legal advice is an insight and understanding of the commercial challenges clients face.

TLT is a Limited Liability Partnership.
